# PRODUCT CERTIFICATE
## No. 13 0958 V/AO/g

In compliance with the provision of Section 5a, Subsection 2 of the Government Order No. 163/2002, Collection of Laws, as amended by the Government Order No. 312/2005, No. 215/2016, Collection of Laws and Government Order No. 119/2024, Collection of Laws (hereafter GO 163), which lays down technical requirements for selected building products, the Authorized Body No. 224 confirms that for the construction product

**Waste fittings for sanitary appliances**
**(specification overleaf)**

placed on the market by the company
**Alcadrain s.r.o.**
**Komunardů 1625/35, 170 00 Praha 7 - Holešovice, Czech Republic**
**VAT: CZ25655809**

from the site of manufacture
**Alcadrain s.r.o.**
**Lanžhotská 27, 690 02 Břeclav, Czech Republic**

it has reviewed the documents submitted, carried out the initial type testing on a sample and assessed the factory production control. The Authorized Body No. 224 ascertained conformity of the product properties with essential requirements of the Government Order No. 163/2002, Collection of Laws, which are specified by the technical standard **ČSN EN 274-1**.
Further, the Authorized Body No. 224 ascertained that the factory production control complies with the submitted technical documentation and ensures that the products placed on the market fulfil the requirements laid down by the above mentioned norms and by the technical documentation pursuant to Section 4, Subsection 3 of the GO 163, as amended.
This Certificate was issued on the basis the Surveillance Report No. **345203928/2026** dated 2026-06-19 containing conclusions of the assessment, the test results obtained and basic description of the product, as necessary for its identification.
*This Certificate remains valid as long as the requirements laid down in the technical documentation and/or Construction Technical Approval in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.*
*The Authorized Body No. 224 performs at least once per year a surveillance of the factory production control according to the Section 5a, of the mentioned Government Order. If the Authorized Body finds any shortcomings it has the right to cancel or amend the Certificate it has issued.*
